* Please provide as much detail as possible regarding the specific assignment as this information is needed to recruit an appropriate candidate.
 * Notification to discontinue current purchased service agreements must be received by January 30, 2009 to execute appropriate reduction-in-force board actions.
 * Requests for new purchased service staff are due by March 13, 2009 and will be given priority in the recruitment process. After March 13, if it is necessary to fill requests with contractual people, the entire cost will be charged directly to the requesting district and will not affect other districts.
 * In addition to the cost of the P.S. position, districts should budget \$350.00 for materials/supplies per 1.0 FTE. Also, to do their work with your students, LADSE purchased staff should be provided easy access to laptops and/or PCs and the necessary software to meet the needs of your students.
