Compare RtI Guiding Principles to Your Building's Current Practices

| Guiding Principle | Clearly Evident | Somewhat Evident | Not Evident | Evidence |
|---|-----------------|------------------|-------------|----------|
| 1. ALL students are part of ONE proactive educational system | | | | |
| 2. Use scientific, research-based instruction | | | | |
| 3. Use instructionally relevant assessments | | | | |
| 4. Use a problem-solving method to make decisions based on a continuum of student needs. | | | | |
| 5. Data are used to guide instructional decisions | | | | |
| 6. Professional development and follow-up modeling and coaching to ensure effective instruction at all levels of instruction. | | | | |
| 7. Leadership is vital | | | | |
